Re: Notification of facility move

Dear AcroMetrix Customer:

This letter is to inform you that all operations located at 6010 Egret Court, Benicia, CA were consolidated into our new facility constructed at 46500 Kato Road, Fremont, CA 94538 USA. Any mail or shipments to the former addresses will be redirected to Kato Road, thus ensuring continuity for our customers during this period. Our emails will all remain the same. Our contact information will now transition to the following:

Phone: 1-800-232-3342 Option 1 for Customer Service, then 3 for QC Products
Phone: 1-800-232-3342 Option 2 for Technical Support, then 2 for QC Products
Fax: 1-800-829-8115
Email: mgc-masorders@thermofisher.com

We have phased out activities at the Benicia site, and now have only the Kato Road address. Some products manufactured at the former address may have expiry dates through 2017. New product manufactured in the new facility will have Thermo Fisher Scientific branding as well as our new address on the labels. No products will be shipped from our new manufacturing facility until validations are complete. Commercialization of product manufactured at the Kato Road address will occur in phases accordingly.

We want to emphasize that our site accreditations will remain the same, maintaining our status of manufacturing in an ISO 13485 – certified, FDA – registered site. No manufacturing processes or equipment will be changed as a result of this move. No raw material providers will be changed as a result of the move. Validations will be performed against existing protocols and procedures.

Former Address: 6010 Egret Court Benicia, CA 94510 USA
NEW Address: 46500 Kato Road Fremont, CA 94538 USA

The following are SKUs that will be affected by the move from the Benicia site to the Kato Road address:

SKU	Name	SKU	Name
941050	AcroMetrix® Citrate Plasma Dilution Matrix	951301	AcroMetrix® HSV-1 Low Control
941100	AcroMetrix® Citrate Plasma Dilution Matrix	951302	AcroMetrix® HSV-2 Low Control
942000	AcroMetrix® HCV Genotyping Panel	951304	AcroMetrix® EBV CSF Low Control
942013	AcroMetrix® HIV-1 Panel (IU/mL)	951307A	AcroMetrix® EBV High CSF Control
